

Choose smart. Look for blue hearts.

Get the support you need.

Choosing a doctor is one of the most important health decisions you'll make. The UnitedHealth Premium® Program can help you find doctors who are right for you and your family.

Find quality, cost-efficient care.

Studies show that people who actively engage in their health care decisions have fewer hospitalizations, fewer emergency visits, higher utilization of preventive care and overall lower medical costs.

Take an active part in your health by seeking out and choosing providers, with the help of the Premium Program.

The Premium designation makes it easy for you to find doctors who meet national standards for quality and local market benchmarks for cost efficiency.

Learn more at [UnitedHealthPremium.com](https://www.unitedhealthpremium.com).

Choose with confidence.

The Premium Program evaluates physicians in various specialties using evidence-based medicine and national standardized measures to help you locate quality and cost-efficient providers. It's easy to find a UnitedHealth Premium Care Physician.

Just go to myuhc.com® and click on Find a Doctor. Choose smart. Look for blue hearts.

Premium Care Physician

The physician meets the criteria for providing quality and cost-efficient care.

Quality Care Physician

The physician meets the criteria for providing quality care.

Quality Not Evaluated

The physician does not have enough claims data to be evaluated for quality, so the physician is not eligible for the cost-efficient care designation.

Does Not Meet Quality

The physician does not meet the criteria for providing quality care, so the physician is not eligible for the cost-efficient care designation.

The UnitedHealth Premium® designation program is a resource for informational purposes only. Designations are displayed in UnitedHealthcare online physician directories at myuhc.com. You should always visit myuhc.com for the most current information. **Premium designations are a guide to choosing a physician and may be used as one of many factors you consider when choosing a physician. If you already have a physician, you may also wish to confer with him or her for advice on selecting other physicians. Physician evaluations have a risk of error and should not be the sole basis for selecting a physician.** Please visit myuhc.com for detailed program information and methodologies.
